## BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT

The project included the development of a construction and permit set of documents for the 3,525 SF tenant build out for All About Cha Coffee & Tea located on the Lobby level of the Cimarex Energy Building at 202 South Cheyenne Avenue. The owner approached us with a concept that was initially developed in Oklahoma City, but was looking for something more sophisticated for the Tulsa location. Our team developed several design options.

Sq. Ft. 3,525 Cost: \$800,000,

Role: Architectural, Interiors and MEP.
