BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT

This project entailed creating two new additions to the existing chapel in order to create a new main entrance, expanded the sanctuary for increased seating capacity, a new stage, sacristy, and vestments room. Additionally, the project renovated existing spaces in the building to create new ADA compliant public restrooms and a chaplain's office.

Sq. Ft.: 7,300 Cost: \$2,550,000

Role: Architecture, Interiors, MEP, Structural, and Civil.
