BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT

The project included the complete interior renovation and exterior restoration of this 1929 Tudor Revival structure including a reconfiguration of the existing bedrooms into suites, repairs to mitigate water infiltration issues and modifications necessary to bring the building into compliance with the current building code. Two of the primary goals were to develop the plan to maximize areas designated for educational purposes and to materials and equipment designed to withstand the heavy day-to-day activities of its members in order to minimize the ongoing maintenance costs.

Sq. Ft. Not Provided, Cost: \$2,100,000.

Role: Architectural, Interiors, Structural and MEP.

Work completed while employed by Sparks

Building has now been removed and replaced
